DIRECTION

ISSUED UNDER S26-28 OF THE PUBLIC BODIES (JOINT WORKING) (SCOTLAND) ACT 2014

The **Aberdeen City Council** is hereby directed to deliver for the Board, the services noted below in pursuance of the functions noted below and within the associated budget noted below.

Services will be provided in line with the Board's Strategic Plan and existing operational arrangements pending future directions from the Board.

Associated Report Number: HSCP.17.115

Approval from IJB received on:- 30 January 2018

Description of services/functions:- The award of contractual agreements required for the provision of funding for the delivery of The Post Diagnostic Support service as described in business case: Alzheimer's Scotland Post Diagnostic Support Worker Service

Reference to the integration scheme:- This project will contribute to the evidence that the Partnership will be obliged to demonstrate how well the nine National Health and Wellbeing outcomes are being met (section 2). Annex 2, Part 2 identifies a range of services some of which will be relevant to the post diagnostic support worker service

Link to strategic priorities (with reference to strategic plan and commissioning plan):- This direction seeks to support delivery of the following strategic priorities:

- Develop a consistent person centred approach that promotes and protects the human rights of every individual and which enable our citizens to have opportunities to maintain their wellbeing and take a full and active role in their local community.
- Support and improve the health, wellbeing and quality of life of our local population.
- Promote and support self-management and independence for individuals for as long as reasonably possible.
- Contribute to a reduction in health inequalities and the inequalities in the wider social conditions that affect our health and wellbeing.
- Strengthen existing community assets and resources that can help local people with their needs as they perceive them and make it easier for people to contribute to helping others in their communities.

- Support our staff to deliver high quality services that have a positive impact on personal experiences and outcomes.
