Application for Variation of Premises Licence

Premises: Brewdog/Underdog, 5 Union Street, Aberdeen

Applicant: Brewdog Retail Limited

In terms of Section 22 (1) (b) (ii) I make the following representation to the Licensing Board.

With regard to the external area, if granted I recommend that there is a terminal hour of 22.00, that the area is deliniated and that no amplified music is played within the external area. The applicant has already intimated that the area will be deliniated.

The application also amends the children and young persons access from 18.00 currently relating to the ground floor to 22.00.

As the current access terms state that children and young persons are allowed entry to the premises accompanied by an adult for the purposes of taking meals/refreshments only - it could be assumed that this could be for meals or refreshments.

Therefore, if granted, children and young persons could remain in the premises, taking refreshments only, until 22.00 within an environment where the consumption of alcohol, without food service, is the predominant activity.

In light of this, if granted, I would like to recommend that the terminal hour for children and young persons access is 20.00.

This memo is submitted for your attention when considering the application
