LICENSING POLICY STATEMENT

6 CONDITIONS ATTACHING TO LICENCES

6.5 The Board has devised a number of local conditions which may be attached to premises licences.

Drugs Policy

It is a condition that the licence holder has in place and enforces the drugs policy formulated by Police and attached hereto and displays a notice to the effect that such a drugs policy is in operation at the premises.

CCTV

The licence holder shall provide sufficient internal and external CCTV coverage of the premises to meet the current technical requirements of the Police Service of Scotland as detailed in Aberdeen City Licensing Board's Statement of Licensing Policy. (all off-sales are however exempt from 4.2 relating to lip sync capability at entrance and exit doors)

OUTSIDE SEATING AREAS

The Board will expect any licence holder who intends to provide outside seating, tables, or other outside facilities to hold a licence which includes the

outside area and to have the necessary planning permission. Where the premises do not currently include such an outside area the Board will expect licence holders to vary the licence. Applicants, who propose to provide outdoor areas, should ensure that their use will not cause disturbance or nuisance to the occupiers of other premises in the vicinity. The Board may impose where necessary local conditions such as the provision of CCTV camera(s) to assist in the management and control of such areas and in support of the licensing objectives. These areas should be shown on the layout plan.

Door Supervisors

It is a condition that the licence holder will ensure that from 23:00 onwards they shall employ or use suitably licensed door supervisors at or near the entrance to, or within the premises, to maintain order and/or security and prevent patrons breaching the licensing objectives.

Radio Link

It is a condition that the licence holder is a member of the local Radiolink Scheme

NOTE: THE APPLICANT HAS ACCEPTED THE CONDITIONS.
