

Request for Deputation

Name JON MATTHEWS, ABERDEEN INTERNATIONAL AIRPORT

Committee

Licensing Committee Meeting, Tuesday 17th April 2018

Agenda Item

8.25 Taxi fare review report

The action I wish the Council/Committee to take

Support the recommendation to remove the wording (airport taxis only) from the surcharge for the airport barrier charge.

It is the intention of Aberdeen International Airport to bring the operation of the main walk up taxi rank (Green Zone Taxi Operation) in house as of 01st June 2018 as part of a number of changes being introduced which will include investment into improving the Airport Taxi Facilities and a strategy to enhance the overall service provision for passengers. Aberdeen International Airport recommends parity of the charge for direct access to the controlled forecourt. This is to restrict access to unnecessary travel in and out of the forecourt which can become extremely congested at times, in an attempt to improve the Health and Safety of passengers, 3rd parties and members of staff.

Please note that in submitting a deputation your name will be placed in the public domain and recorded in the minute.
