

LICENSING COMMITTEE INFORMATION SHEET
09 JULY 2018

TYPE OF APPLICATION: Taxi Vehicle Licence

INFORMATION NOTE

Due to an administrative error the wrong expiry date was entered onto a taxi vehicle licence, which resulted in the licence holder missing the renewal date for the licence. He is now required to apply for a new grant as opposed to a renewal.

The vehicle in question is a WAV which would be eligible for a renewal application but is older than the age limit set for new grants. In the circumstances permission is sought to deviate from policy and accept the grant application notwithstanding the age of the vehicle.
