Subject: Full Council Meeting on the 18th August

Martyn

I refer to our telephone conversation yesterday. The Aberdeen Community Council Forum wish to make a deposition to the Full Council Meeting on the 18th August on the Local Development Plan. I will be making the presentation and I understand I can be joined by 2 colleagues.

The key points we wish to make relate to the following:-

- a.. The scale of the new housing proposed in the plan to 2016
- b.. The provision of affordable housing
- c.. Timing and deliverability of the infrastructure requirements
- d.. The impact of the proposed new housing developments on traffic across the city
- e.. The need for more public involvement in the delivery of the 2007- 2016 plan

Best regards,

Peter
