Dear Sir/Madam,

**LICENSING (SCOTLAND) ACT 2005
APPLICATION FOR THE VARIATION OF A PREMISES LICENCE
BREWD OG, 5-9 UNION STREET, ABERDEEN, AB11 5BU**

I refer to the above application for the variation of a premises licence under terms of Section 29(5) of the Licensing (Scotland) Act 2005.

The variation requested consists of the following:

- Amend the terminal hour of the ground floor part of the premises to 0200 hours on Sunday to Thursday inclusive;
- Amend the commencement of 'on sales' hours to 1200 and the terminal hour of the ground floor part of the premises to 0300 hours on Friday and Saturday;
- Amend the wording at Q5 and 6 on the operating plan.

In terms of Section 29(5) of the Act this request can be considered a variation.

In respect of point 3, I have no adverse comment to make.

In respect of points 1 and 2, in terms of Section 22(1)(b)(ii) and (iii) of the same Act, I make the following representation that in the event the premises are not considered premises to which the Licensing Conditions (Late Opening Premises)(Scotland) Regulations 2007, Section 3(2) applies, these parts of the application be granted subject to the conditions currently attached to the licence remaining and being in effect for the ground floor part of the premises and the

condition relating to Duty of Care, as specified within the Board's Statement of Licensing Policy November 2018, being applied. I also request that a condition which states that a person who is the holder of a Personal Licence under the Licensing (Scotland) Act 2005 is on duty for any time the premises operates after 0100 hours, is similarly applied.

I also note I note that if granted, the trading hours on Sunday to Thursday will exceed 15 hours, contrary to the Board's Statement of Licensing Policy November 2018 in which it states the Board considers 15 hours continuous trading to be reasonable.

This representation is submitted for your attention when considering this application.

Yours faithfully

Iain Livingstone QPM
