I refer to Section 38 (4) (a) of the Licensing ( Scotland ) Act 2005 in terms of the Premises Licence Review

The Licensing Standards Officers were made aware in October 2018 that the licence holder had not paid the annual fee for the above premises.

This is a breach of section 10 (2) of the mandatory conditions attached to the premises licence – Payment of Annual or Recurring Fees

The Licensing Standards Officer contacted the premises and was advised by reception staff that the RBS had now moved location to Marischal Square. Contact details for the licensing team were passed on to the individual. The Licensing Standards Officer then had no further involvement and was made aware that the licence holder intended to surrender the premises licence
