

## **Polling Districts and Polling Places Review Report**

### **Additions to the original Report**

#### **2. Recommendations**

The following additional recommendation to Council is put forward:

e. That following approval of the recommended changes to polling districts and polling places included in this report, Council allow the public consultation to include any further changes that are necessitated through any circumstances which may arise.

#### **6.3. Additional Recommended Changes to Polling Places**

The following additional recommended changes to polling places is put forward:

##### **Polling District DN0403, Middlefield**

An inspection of the new Manor Park school has been arranged to ensure it is a suitable replacement for Smithfield Primary.

##### **Polling District CN0605, Seaton South**

Inspections are scheduled in order to find a suitable replacement for Linksfield Campus which is no longer available.
