### **3. BACKGROUND**

#### **Annual Governance Statement**

- 3.1 The Local Authority Accounts (Scotland) Regulations 2014 specify that the Annual Accounts must include an Annual Governance Statement (AGS).
- 3.2 The AGS should be produced in accordance with proper accounting practices and the CIPFA/SOLACE Framework: Delivering Good Governance in Local Government.
- 3.3 The Council has developed its approach to the annual governance review process and in 2018/19 has again undertaken a self-evaluation of the effectiveness of the Local Code of Corporate Governance.
- 3.4 There are different layers of assurance that have been considered and used in determining the content of the AGS. These include management assurance, the internal audit assurance framework, and the consideration of external audit and external scrutiny.
- 3.5 Management assurance includes the certification of internal controls and assurance by Chief Officers, along with an assurance statement having been received by, or on behalf of, the Chief Executive of the group entities. The Chief Officer of the Aberdeen City Integration Joint Board has also provided assurance in respect of the Health and Social Care Partnership arrangements.
- 3.6 Further confidence is based on the operational structure and legislative framework that exists for the Council, including the continuity that has been maintained in relation to statutory posts throughout the year.

- 3.7 The Scheme of Governance defines the roles and responsibilities for officers and Elected Members.
- 3.8 The accounting team work closely with budget holders to ensure that a positive relationship exists and there is openness and transparency about decision making and the financial implications.
- 3.9 Each Chief Officer has reviewed their portfolio and certified their effectiveness to the Chief Officer – Governance and the Director of Resources.
- 3.10 Management Assurance has also been obtained from each Chief Officer and reviewed by the Corporate Management Team.
- 3.11 In undertaking a self-evaluation of the Council's effectiveness of its governance framework, several officers have reviewed the Local Code of Governance and drawn judgements on the extent to which the Council is effectively complying with the code.
- 3.12 Independent scrutiny is undertaken by the Internal Audit function, which was carried out by the Internal Audit team from Aberdeenshire Council. They have provided management and the Committee with recommendations on improvements that can be implemented for the benefit, amongst other things, of the control environment.
- 3.13 External scrutiny is required by legislation (Local Authority Accounts (Scotland) Regulations 2014) and the Council's external auditor, KPMG, reported on a variety of areas, not simply the financial statements and financial control environment. These reports, which are produced on a national basis, have been considered in preparing the AGS for 2018/19.
- 3.14 In conclusion and in examining the evidence, the 2018/19 AGS has been prepared with an approach of openness and accountability that recognises the positive framework that the Council has and the effectiveness of it during the financial year. It should be noted that the Statement has been produced by management and is not an independent expression of audit opinion.
- 3.15 The Annual Governance Statement is signed on behalf of Aberdeen City Council by the Chief Executive and Leader of the Council. It is recommended for approval prior to being signed off.

### **Unaudited Annual Accounts**

- 3.16 On 14 February 2019 this committee received and noted the contents of a report, "Annual Accounts 2018/19 – Action Plan" which provided high level information and key dates in relation to the production of the 2018/19 Annual Accounts.
- 3.17 The key dates contained within the above report were: -

31 March 2019	End of the financial year 2018/19
Jan – June 2019	Information from Group Entities (including ALEO's)
18 April 2018	Public Notice for the Public Inspection Period to be issued
30 April 2019	Signing of the unaudited Annual Accounts by the Proper Officer
30 April 2019	Audit, Risk and Scrutiny Committee to consider the unaudited Annual Accounts
13 May –3 June 2019	Public Inspection Period for the unaudited Annual Accounts
26 June 2019	Audit, Risk and Scrutiny Committee to consider and aim to approve the audited Annual Accounts for signature
26 June 2019	Signing of the audited Annual Accounts by the Proper Officer, Chief Executive and Council Leader
30 June 2019	Statutory deadline for the Proper Officer to sign the unaudited Annual Accounts, submit to the Auditor and publish on the website
19 July 2019 (tbc)	Deadline for submission of the Whole of Government Accounts (WGA) to the Scottish Government (date to be confirmed)
25 September 2019	Deadline for submission of the signed audited Annual Accounts to the Auditor
25 September 2019	Audit Risk & Scrutiny Committee to consider the Auditor's Annual Report
30 September 2019 (tbc)	Deadline for submission of the audited WGA to the Scottish Government (date to be confirmed)
31 October 2019	Statutory deadline for the publication on the website of the signed Annual Accounts & Audit Certificate, related Auditor report and accounts of all subsidiary bodies
31 December 2019	Deadline for submission of the audited Charitable Trust Annual Accounts to OSCR

3.18 Whilst there are statutory requirements under the Local Authority Accounts (Scotland) Regulations 2014 which specify deadlines in relation to the unaudited and audited Annual Accounts, this does not prevent the Council from working to earlier dates and indeed the earlier completion of our Annual Accounts could be considered advanced practice.

3.19 There is also a requirement that the unaudited Annual Accounts be provided to and considered by a committee whose remit includes audit or governance. In recent years this committee has received the accounts prior to submission to the auditor and this is seen as advanced practice. As the body charged with governance it allows the committee the opportunity to take ownership of the accounts, to review them such as to be satisfied with their completeness before they are submitted for audit.

### **Inspection and Audit of the Accounts**

3.20 The Local Authority Accounts (Scotland) Regulations 2014 defines the notice period, the inspection period, the deadline for submission of an objection to the accounts and the information which must be made available for inspection. At least 14 days' public notice must be given prior to the

commencement of the inspection period. The latest date by which the public inspection can start is 1 July 2019. The inspection must last 15 working days. As the Annual Accounts process is being undertaken to earlier deadlines this year the public inspection period will begin on 13 May 2019 and end on 3 June 2019.

- 3.21 The Regulations also require publication of the unaudited Annual Accounts, as submitted to the Auditor, on the Council's website until the audited accounts can replace them. This not only provides a means by which the public can access the accounts during the inspection period but also ensures the Council is open and transparent in its reporting.
- 3.22 On completion of the audit process, the external auditor's will present their report on the audit of the Annual Accounts to the meeting of this committee on 26 June 2019. This report will highlight any significant issues arising from the audit and inform Elected Members of the proposed audit opinion in advance of the final accounts being certified.
- 3.23 The audited Annual Accounts will also be presented to that meeting for consideration and approval for signature. Thereafter, the accounts will be signed by the Chief Officer - Finance, Chief Executive and a Council Leader. The signed accounts must be submitted to and signed by Audit Scotland no later than 30 September 2019.

### **Financial Performance and Review of the Accounts**

- 3.24 It should be noted that the unaudited Annual Accounts are prepared according to the requirements of the IFRS based Code of Practice on Local Authority Accounting (the Code) and as a result are more complex and detailed than the information included in the monitoring reports provided to Committee throughout the year.
- 3.25 A report covering the detailed financial position of the Council was considered by the City Growth and Resources committee on 25 April 2019. This report covered the Council's revenue and capital accounts for General Fund, Housing Revenue and Common Good and the reserves and balances of the Council as at 31 March 2019.
- 3.26 Against total funding from Council Tax, Non-Domestic Rates and Revenue Support Grant of £438 million, the four core services including surpluses from trading operations incurred net spend of £392 million, whilst the net spend on the corporate budgets, including capital financing costs, was £46 million.
- 3.27 The credit rating and LSE listing has brought several reporting and governance requirements, including the need to consider our financial management systems, processes and routines to take into account the requirements and expectations of holding and maintaining a suitable credit rating and being an Issuer of Bonds.
- 3.28 The following paragraphs highlight some of the key sections of the Annual Accounts:

- 3.30 Management Commentary – focuses on the financial performance of the Council and its group as well as highlighting significant past and future events and comments on the economic climate within which the Council operates.
- 3.31 Comprehensive Income & Expenditure Statement (CIES) and Expenditure & Funding Analysis - reflects the income and expenditure of the Council per the Council's service structure based on the requirements of accounting standards.
- 3.32 Balance Sheet – provides information on the assets and liabilities of the Council together with its usable and unusable reserves. Net assets (i.e. assets less liabilities) have decreased by £13 million from March 2018 to a total of £1.371 billion at March 2019. The corresponding decrease in reserves reflects a £8 million and £5 million drop in usable reserves and unusable reserves respectively.
- 3.33 Common Good and Trusts – the Common Good, CIES and Balance Sheet reflect an increase in the value of its net assets which has resulted in its value increasing by £6.2 million to £120.5 million at March 2019. The financial statements of the Trusts now clearly reflect the split between charitable and non-charitable trusts. This will aid the separate audit of charitable trusts, which is an OSCR (Office of the Scottish Charity Regulator) requirement and will be carried out by the Council's external auditors.
- 3.40 Group Accounts – these include the Council, its subsidiaries, associate, and joint venture companies and reflects all the significant entities the Council has a controlling interest in. The group balance sheet shows net assets and reserves of £1.492 billion. A few smaller organisations have been excluded from the financial statements due to their relative size on the grounds of materiality and as such their performance is disclosed simply in the notes to the group accounts.

### **Registered Charities**

- 3.41 This encompasses those trusts, registered with OSCR, for which the Council (all 45 Councillors) is the sole trustee. There are nine separately registered charities which for reporting purposes can be grouped together into a single Annual Report and Accounts. The consolidated balance sheet shows a value of £7.290 million, after the elimination of intra trust balances i.e. the investment in the Lands of Skene by the Guildry and Bridge of Don trusts.
- 3.42 These accounts are subject to the same audit process as the Council with the audited accounts and related auditor's report being reported back to this committee on 26 June 2019 for approval prior to signature by the relevant officers and the Council Leader.
- 3.42 Thereafter, they will be submitted to OSCR, no later than 31 December 2019.

## 5. LEGAL IMPLICATIONS

5.1 The preparation of the Annual Governance Statement is a part of the Council's compliance with the CIPFA/SOLACE guidance on 'Delivering Good Governance in Local Government'.

This is a major task which requires co-operation and input from a large number of people across all services of the Council. It is only with the commitment of all staff that these high standards and deadlines can be met.
