2.4 Quality of data received

The Pension Fund will seek, at the earliest opportunity, to work closely with Scheme employers in identifying areas of unsatisfactory performance, and provide the necessary training and development for improvement.

Since the introduction of the requirement to provide monthly information in this format the quality of the data received through i-Connect has been of a very high standard. This allows the Fund to provide accurate and up to date information to members, meet the requirements of The Pension Regulator and improved the accuracy of the financial information held for the valuation of the Fund.

Green	I-Connect events processed and validated by ERT
Amber	I-Connect events processed however missing or incorrect data identified by ERT
Red	I-Connect events not processed
Blank	Data not provided (as at March 2019)
