1. INTRODUCTION

- 1.1 I am pleased to introduce the second annual effectiveness report for the Public Protection Committee.
- 1.2 The Public Protection Committee (PPC) performs an important and significant role in the Council's overall public protection arrangements. It continues to provide local democratic oversight to key areas including child and adult protection, environmental health and resilience. It also discharges the Council's obligations in terms of the Police and Fire Reform (Scotland) Act 2012.
- 1.3 I continue to seek to bring a collaborative approach to the business of the Public Protection Committee not just with elected members, but with the Aberdeen City Council Directors, Chief Officers, all officers and the Council's partners, including the Scottish Fire and Rescue Service and Police Scotland. I truly value our partners' contribution to the Public Protection Committee. I look forward to strengthening our relationships which are essential as the city looks to deliver the aspirations of the most recently refreshed Aberdeen Local Outcome Improvement Plan.
- 1.4 As Convenor I appreciated the support of council officers in delivering the PPC. I extend my personal thanks to the Police and Fire Service for continuing to keep us safe in these extraordinary difficult and uncertain days.
- 1.5 As Convenor I have strived with the cooperation of the committee to keep public safety at the forefront of all we deliver for the city and the safety of the residents of Aberdeen. All fulfilled colligatively.
- 1.6 We have achieved much in our delivery of council and partnership services.
- 1.7 I remain in hope and trust that we continue to fulfil our public service duty, now, in the future and in the face of this unusual norm of living with covid.

My very best and warm regards

Jennifer

Councillor Jennifer Stewart, Convenor

11. EXECUTIVE LEAD'S COMMENTS

- 1.1** As part of the Council's aspiration to deliver the CIPFA Governance Mark of Excellence, the Council introduced a system of annual reports for each committee. The first reports were published for the 2018/2019 term and help to provide assurance to Full Council and relevant third parties on the effectiveness of the Council's political governance arrangements. The system of annual reporting also helps to inform the Council's Annual Governance Statement (which forms part of the Council's Annual Accounts) and annual reviews of the Council's Scheme of Governance.
- 1.2** During 2019/2020, the Council achieved the CIPFA Governance Mark of Excellence. It was the first authority in Scotland to achieve this award. External Audit commented that the Council exhibits strong and effective governance. It noted that members robustly challenged and scrutinised management with a clear focus on governance and the communities and citizens members represent.
- 1.3** It should be noted that whilst 50% of reports submitted to the Committee had modifications to the recommendations, these were to additionally record Member's appreciation of the successful delivery of the topic, or to reinforce assurance.

12 NEXT YEAR'S FOCUS

- 12.1** In March 2020, Council approved new Terms of Reference and a further review will be reported to Council in March 2021. Throughout the next reporting year, we will review the Terms of Reference in line with the business submitted to the Committee and reflect on whether any areas require refinement moving forward to ensure the efficient operation of the Committee.
- 12.2** The impact of the Covid-19 pandemic has had an impact on the Council's governance arrangements and control environment. This includes delays to planned audit activity and inspections due to be carried out by regulatory bodies over services that this committee oversees. To manage the impact on the control environment, arrangements were put in place to ensure that the Council was able to effectively manage the new risks to the organisation brought about by the pandemic as well as pre-existing risks. The re-introduction of the Public Protection committee meetings from October will also help to facilitate scrutiny of those service areas which report to the committee.
- 12.3** The pandemic has significantly affected the committee's business planner. During the course of 2020/21, meetings of the Public Protection Committee were cancelled in order to prioritise the response to the pandemic. During the remainder of 2020/21, the committee's business planner will be reset to reflect the impact of Covid-19. This will include new reporting on the impact of the pandemic on those service areas covered by the remit of this committee, including civil contingencies and environmental health. This will provide the committee with an opportunity to receive updates on the Council's response to the pandemic to protect the public of Aberdeen and to monitor the impact of actions taken.
