Comments

It is noted this application for partial conversion of an existing coach-house to domestic garage including erection of single storey extension; installation of replacement door; formation of garage door and installation of electric vehicle charging point to rear at 9 Marine Terrace, Aberdeen AB11 7SF.

It is noted the proposal shall increase the depth of what is proposed as the new garage extents, this shall require to meet the necessary internal dimensions of 5.7m x 5.7m with it already noted and considered the minimum 5.7m width being met.

Should the above been confirmed or is adequately provided in terms of depth, I can confirm that Roads Development Management shall have no objection to this application.
