Dear Sir/Madam

Palm Court Hotel,

I understand that the above Hotel has requested an extension of Licensing hours to 2am for all weekends Friday to Sunday.

As the Palm Court is situated in a Residential area I am strongly against this request being granted. This could become a most disruptive situation for all surrounding areas because of NOISE, TAXI MOVEMENT AND GENERAL UNACCEPTABLE BEHAVIOUR.

The Hotel already has the option of applying for extended hours for Special Occasions so I do not see the need for granting any permanent extension.

I should be grateful if you will keep me fully informed in respect of the outcome of this application.

Yours faithfully
