## **Subsidiaries**

### **Common Good**

The Common Good is corporate property and must be applied for the benefit of the community as the Council thinks fit. It is invested in land and buildings, such as industrial estates and farms, with any surplus being placed on cash deposit, which will change during 2022/23 to be substantially invested in a multi-asset income fund managed by Fidelity.

The Common Good is currently forecasting an operational surplus of £319k for 2022/23, this will offset the reduction in value of long term investments of £2m - see Appendix 2. The financial statements for the quarter are shown in Appendix 3.

### **Trust Funds**

The Council is responsible for the administration of various trusts created by bequest or evolved through history or by public subscription which are utilised for a variety of benefits such as education and social work, charitable purposes, religious instruction, medical institutions, the upkeep of public works and also the administration of the Guildry. The money earned from the investments of the Trusts is used to provide grants, prizes and dux medals for school children and requisites for clients in Social Work homes.

At the end of March 2022, the Trusts reported a net deficit of £18k.

The Trusts are not expected to have a material impact on the Council's financial position for 2022/23.

### **Sport Aberdeen**

Sport Aberdeen Limited is a charity and constitutes a limited company, limited by guarantee. The principal activity of the company is the provision of recreation leisure facilities and services on behalf of Aberdeen City Council in accordance with key priorities. Although Aberdeen City Council does not own the entity, it is considered that control representing power to govern exists through agreements in place and that Sport Aberdeen Limited operates as a structured entity of the Council.

The results for the period ended 31<sup>st</sup> March 2022 show net income for the year of £704k.

### **Bon Accord Care and Bon Accord Support Services**

Bon Accord Care Limited (BAC) and Bon Accord Support Services Limited (BASS) are private companies limited by shares which are 100% held by Aberdeen City Council. Bon Accord Care provides regulated (by the Care Inspectorate) care services to Bon Accord Support Services which in turn delivers both regulated and unregulated adult social care services to the Council.

The consolidated position of Bon Accord Care and Bon Accord Support Services shows a surplus of £6k as at 30<sup>th</sup> June 2022. This is mainly due to large spend on equipment incurred in the earlier half of the financial year. Furthermore, there are corrective actions being undertaken to reduce expenditure.

BAC and BASS are forecasting a break-even position for 2022-23.

## **Joint Ventures**

### **Aberdeen Sports Village Limited (ASV)**

ASV Ltd is a company limited by guarantee and registered as a charity. It is a joint venture company owned equally by the Council and The University of Aberdeen. ASV Ltd was incorporated in 2007 and its objectives are to provide sports and recreational facilities, including elite sports facilities for the use of both students and staff of the University of Aberdeen and the general public, and the advancement of public participation in sport.

The financial year end for ASV Ltd is not aligned to the Council's with its year end being 31 July. The latest available financial information for Aberdeen Sports Village is for the period ended 31 May 2022. This showed that ASV Ltd reported a deficit of £1,832m. The share of the deficit being attributed to the Council is £916k.

### **Aberdeen City Integration Joint Board (IJB)**

The IJB was established by order of Scottish Ministers on 6 February 2016, becoming fully operational from 1 April 2016. The IJB is responsible for the strategic planning, resourcing and operational delivery of all integrated health and social care within the Aberdeen City area. This has been delegated by the partners, Aberdeen City Council and NHS Grampian.

As at 30 June 2022, the IJB is forecasting a break-even position for financial year 2022/23.
