### 1. PURPOSE OF REPORT

1.1 To provide the full year actual financial position of the Council against budget for the financial year 2022/23, including:

- General Fund and Housing Revenue Account (HRA) revenue and capital accounts; and
- Common Good Revenue Account and Balance Sheet.

### 2. RECOMMENDATIONS

That the Committee :-

- 2.1 Note the unaudited final outturn position for financial year 2022/23 as detailed in Appendix 1;
- 2.2 Note that the General Fund has recorded an operational deficit of £2.083m for the year 2022/23, which has been funded from the Earmarked sum set aside for Covid Resilience. The uncommitted General Fund reserve remains in line with the approved Reserves Policy;
- 2.3 Note that the Housing Revenue Account has recorded a surplus of £0.500m for the year, in line with budget and increasing the uncommitted working balance for use in future years;
- 2.4 Note that the Common Good has recorded an operating surplus of £0.049m for the year. After investment valuation changes and capital receipts are included total cash balances decreased by £1.248m;
- 2.5 Approve the various transfers for 2022/23, between Council Reserves and Earmarked sums for the General Fund, Housing Revenue Account, Common Good and Statutory Funds as of 31 March 2023, as detailed in Appendix 1;

- 2.6 Approve the reprofiling of the 2023/24 – 2026/27 capital programmes to take account of the year end position and that the outcome of this is incorporated into the 2023/24 Quarter 1 reporting; and
- 2.7 Note that the unaudited Annual Accounts for 2022/23 were presented to Audit, Risk and Scrutiny Committee on 11 May 2023, including the Annual Governance Statement and Remuneration Report for the year.

### 3. CURRENT SITUATION

- 3.1 This report focuses on the final financial position for the year to 31 March 2023 for the Council's General Fund, Housing Revenue Account and Common Good.
- 3.2 The actual position for the year is presented in Appendix 1.

### 4. FINANCIAL IMPLICATIONS

- 4.1 The full year financial position is provided in Appendix 1 to this report and the revenue positions are summarised below:

Revenue	2022/23 Budget £'000	2022/23 Actual (Surplus) / Deficit £'000	Variance (Under) / Over Budget £'000
General Fund	0	(2,083)	(2,083)
HRA	(500)	(500)	0
Common Good	(319)	(49)	270

- 4.2 Appendix 1 also includes a Management Commentary providing information on the 2022/23 financial position, including details of the movement between Reserves.
- 4.3 The capital position can be summarised as follows:

Capital	2022/23 Budget £'000	2022/23 Actual Expenditure £'000	Variance (Under) / Over Budget £'000
General Fund	240,757	132,033	(108,725)
HRA	182,473	111,809	(70,664)

- 4.4 The underspending on Capital is in relation to a wide range of projects, which have been reported on during the course of the year. These figures remain unaudited and are subject to that process being completed. Capital budgets,

as appropriate, will be updated to take account of the continuing nature of capital investment projects, and be reprofiled to enable projects to be completed.

4.5 As a number of key projects move forward at the start of 2023/24, it is expected that the profile (across individual projects) will require to be revised by viring approved budget from one project to another. This is because the values against the individual projects had initially been estimated.

4.6 The usable reserves have moved as follows:

<b>Council Usable Reserves</b>	<b>Balance at 31 March 2022 £'000</b>	<b>Balance at 31 March 2023 £'000</b>	<b>Movement £'000</b>
General Fund	(72,152)	(68,169)	3,983
HRA	(15,215)	(15,715)	(500)
Statutory & Other	(20,860)	(29,563)	(8,703)
<b>Total</b>	<b>(108,227)</b>	<b>(113,447)</b>	<b>(5,220)</b>

4.7 The General Fund balance has decreased during the year, and the HRA and Statutory & Other Reserves have increased. Appendix 1 also shows the change in the value of earmarked sums during the year. The value of these changes is due to the nature of the earmarked sum as they are set aside for funding specific projects, and this can influence when the funds are used. Larger earmarked sums include Covid Grant funding - to be used for a range of purposes, and Ukraine refugee funding, and there is also money from the Council Tax account to support the development of affordable housing. The uncommitted balance on the General Fund is retained at £12m. The sums held as uncommitted are in line with the Council approved Reserves policy (March 2023).

4.8 The increase in the HRA is as a result of the operational surplus achieved. The Statutory and Other Usable Reserves include the Capital Fund, Insurance Funds and Capital Receipts Unapplied Account. Transfers have included capital receipts and contributions from revenue.

4.9 At the year end the Council has retained a significant value in usable reserves, managed the overall budget through a difficult and volatile year. The Council benefited from funding confirmed late in the financial year, with a proportion of those funds being carried into 2023/24 to use. The strength of the reserves position provides the basis for financial resilience required into 2023/24, where funding was approved to support the General Fund budget and to continue to provide limited protection for the various circumstances the Council faces going forward. The first quarter report for 2023/24 and initial forecast for the year will be considered at the Finance and Resources Committee.

4.10 The Common Good Cash Balances are as shown in the table below. The cash position has decreased from the start of the year due to the impact of an investment valuation decrease and one-off capital expenditure on the demolition at Lang Stracht, which has been partly offset by capital receipts.

<b>Cash Balances</b>	<b>Balance at 31 March 2022 £'000</b>	<b>Balance at 31 March 2023 £'000</b>	<b>Movement £'000</b>
Common Good	(38,633)	(37,385)	1,248
