3. CURRENT SITUATION

3.1 The UK Government published the UK Shared Prosperity Fund prospectus on 13 April 2022 alongside indicative funding allocations for each Local Authority within the United Kingdom. The Aberdeen City Council area received an indicative allocation of up to £7,156,832 for an initial three-year period covering 2022/23, 2023/24 and 2024/25. This is made up of £1,235,919 for "Multiply" and £5,920,913 for the core UK Shared Prosperity Fund. The "Multiply" element

- of funding is ringfenced for activity to enhance adult numeracy skills provision and proposals for this will be taken to committee later in 2023.
- 3.2 The core UKSPF element can be used across three priority areas: Community and Place; Supporting Local business; and People and Skills.
- 3.3 In order to access the funding, Aberdeen City Council developed and submitted an Investment Plan to the UK Government in August 2022. The Investment Plan outlined the key priority areas for investment. It was approved in December 2022 and is available on the Council's UKSPF Webpages UKSPF Webpages <a href=
- 3.4 There are three routes to allocate the funding: 'Challenge Funds', 'Procurement' or 'in-house' and all proposed expenditure will require Committee approval.
- 3.5 Applications are being sought under the Communities and Place priority through a 'challenge fund route'. Officers promoted the challenge fund on the Council's website including an application form and supporting guidance documents. Four applications are presented to Committee for consideration, outlined in Table 1 below and summarised within Appendix 1.
