PART A - OBJECTION

I object to a premises licence being granted to the above premises, on the following grounds (delete any that do not apply):-

~~(a) The premises are excluded premises.~~

~~(b) The application must be refused because:~~

- ~~• the Licensing Board has refused a premises licence application in respect the premises less than a year before this application,~~
- ~~• Granting the application would have the effect of allowing alcohol to be sold on the premises during a continuous period of 24 hours or more or~~
- ~~• Granting the application would have the effect of allowing alcohol to be sold for consumption off the premises before 10:00, after 22:00 or both.~~

(c) Granting the application would be inconsistent with one or more of the licensing objectives. Please indicate which of the licensing objectives the application would be inconsistent with, along with a concise explanation why. Please delete any of the objectives that do not apply.

Objective	Objection
Preventing crime and disorder	<p>The venue already FOCUSES people at night approaching in at and leaving the venue, The venue is approx. 20m from the first house with garden in bon accord conservation area. the application allows people to drink outside the venue at night, and may increase the effective CAPACITY of the venue.</p> <p>The bon accord justice mill intersection region is a hot spot for antisocial behaviour at night. The licensing board should confirm this with Police Scotland - If police Scotland concur this is a material consideration, If police do not concur, residents would ask the board to engage with them per Scottish Gov guidance in 2023 re evidenced views as Residents are strongly of the view that it is a hot spot. And a night visit would be encouraged.</p>

	<p>Securing public safety</p>	<p>Allowing the application will place more drinkers in the hot spot referred to above. Entry into properties at night arises from people intoxicated. placing more drinkers in the vicinity of the hot spot increases the risk of public safety from intoxicated people entering gardens and consequent actions.</p> <p>bon accord justice mill intersection region is a hot spot for antisocial behaviour at night. The licensing board should confirm this with Police Scotland - If police Scotland concur this is a material consideration, If police do not concur, residents would ask the board to engage with them per Scottish Gov guidance in 2023 re evidenced views as Residents are strongly of the view that it is a hot spot. And a night visit would be encouraged</p> <p>The wide range of uses and activities proposed seems to be a plan to permit/ support more alcohol sales to people in and outside the venue more often.</p>	
--	-------------------------------	---	--

<p><u>Preventing public nuisance</u></p>	<p>See comments on public safety as relevant to public nuisance. In addition placing drinkers OUT IN THE OPEN NOT 20M FROM THE FIRST HOUSE in the Bon Accord Conservation Area INCREASES THE NUISANCE NOISE LEVEL IN THE REGION. Noise has been measured by residents previously and the decibel levels can be measured going forward.</p> <p>bon accord justice mill intersection region is a hot spot for antisocial behaviour at night. - (d) The premises are unsuitable for use for the sale of alcohol, having regard to¹—
- (i) the nature of the activities proposed to be carried on in the subject premises,
 - (ii) the location, character and condition of the premises, and
 - (iii) the persons likely to frequent the premises.

Please explain why The proposal would place drinkers on the street late at night within 20m of the houses and gardens of BARA conservation region. Thus the proposals are unsuitable under (I,ii,iii)

¹ Please indicate which of the factors apply, with a concise explanation why. Please delete any that do not apply.

(e) Granting the application would result in overprovision of licensed premises, having regard to the number and capacity of—

(i) licensed premises, or

(ii) licensed premises of the same or similar description as the subject premises,

Please explain why:the expansion of more people at this venue, with more drinning outside increases the capacity and the noise impact. This worsens an already unwelcome situation for residents near the HOT STOP of antisocial behaviour discussed in earlier paragraphs.
