1. PURPOSE OF REPORT

- 1.1 To present the Council with an Annual Review Report which highlights progress with respect to the Council Delivery Plan for the year 2022/23, that was approved by the Council on 7 March 2022.

2. RECOMMENDATION

- 2.1 That the Council note the report and provide comments and observations on the information contained in the Annual Review Report at Appendix A.

3. CURRENT SITUATION

- 3.1 As the Council, and our communities, have transitioned from the recovery phases of the COVID-19 pandemic, tackled cost of living pressures and provided material support for those adults and children displaced from Ukraine, the Council, as an organisation, has required to maintain a responsive and flexible approach to service delivery.
- 3.2. This is reflected in the inputs, outputs and outcomes captured within the Annual Review Report, and highlights where services have been enabled to deliver against Council Delivery Plan priorities whilst pivoting resource and effort to meet the additional challenge that had arisen over the course of 2022/23.
- 3.3 It is important to note that the detail and outcomes captured in this report reflect the policies and actions aligned with the 2022/23 Council Delivery Plan.

3.4 As such, it offers a retrospective overview of the work of the Council linking with those delivery priorities and objectives set out within the Plan, which were, as appropriate, subsequently overlaid with the current Aberdeen City Council Partnership Agreement, ‘Working in Partnership for Aberdeen.’

3.5 Council Delivery Plan development is part of a strategic planning thread that flows from, and brings together:

- Aberdeen City’s Local Outcome Improvement Plan
- The Council’s Policy Statements
- National, Regional and City Strategies
- Legislative and statutory delivery duties

3.6 Each of these strands establishes a range of commitments and requirements placed on the Authority, and the Council Delivery Plan identifies how the Council would meet these in the forthcoming twelve months.

3.7 The Annual Review Report summarises a snapshot of the deliverables for 2022-23 under these headings, along with outlining outcomes derived from the Council’s Commissioning Intentions, against which the Plan was a key element, and represents a statement on how the Council had delivered on its contribution to each.
