DATE	23 November 2023
EXEMPT	No
CONFIDENTIAL	No
REPORT TITLE	ALEO Assurance Hub Update
REPORT NUMBER	COM/23/356
DIRECTOR	Gale Beattie
CHIEF OFFICER	Vikki Cuthbert
REPORT AUTHOR	Vikki Cuthbert
TERMS OF REFERENCE	Remit 1.3

1. PURPOSE OF REPORT

- 1.1 To provide assurance on the governance arrangements, risk management, and financial management of Arm's Length External Organisations (ALEOs) as detailed within the ALEO Assurance Hub's terms of reference.

2. RECOMMENDATION(S)

That the Committee:-

- 2.1 Notes the level of assurance provided by each ALEO on governance arrangements, risk management and financial management respectively and the risk ratings applied by the ALEO Assurance Hub, as detailed in appendices B-H; and
- 2.2 Notes that the ALEO Assurance Hub will discuss any outstanding issues specified in the appendices with ALEO representatives, with a view to maintaining low/very low risk ratings and improving any medium risk ratings to low/very low.

3. CURRENT SITUATION

- 3.1 The report provides an overview of the ALEO Assurance Hub's most recent cycle of scrutiny following the Committee's endorsement of an oversight approach which balances the Council's need for assurance with an ALEO's right to govern itself as an independent entity.
- 3.2 The Hub continues to adopt a proportionate and risk-based approach and receives assurance from ALEOs through exception reporting which allows it to assess the level of ALEO risk to the Council. The reporting is based on the degree of assurance provided on each ALEO's governance arrangements, risk management and financial management. The ALEO Assurance Hub provide high level, strategic oversight of ALEOs but does not undertake quality checks on the operation of ALEOs.

- 3.3 The Hub met in October and identified the following key assurance areas, in accordance with the workplan previously reported to the Committee. Specific follow-ups were sought from each ALEO in furtherance of gaps in assurance from the previous cycle, and these are referenced specifically in the appendices.

Governance Arrangements

1. Assurance of on-going review of all governance documentation and policies.

Risk & Resilience Management

1. A copy of the current risk register and confirmation of when this was last reviewed by the Board and any outputs agreed.
2. Updates on progress with implementing the Protect duty ("Martyn's Law") and preparations for OC6/Rota Load Disconnections prior to Winter (planned power outages enforced by the National Grid to allow the supply across the country to be managed according to the greatest areas of need).

Financial Management

1. Assurance that accounts are being managed within budget, that the level of financial risk to the Council is low and that there is compliance with the Following the Public Pound Code of Practice.
2. Assurance that ALEOs undertake medium-term financial planning or have incorporated medium term planning into a Business Plan to provide assurance that ALEOs are prepared for core funding pressures. Again this ensures compliance with the Following the Public Pound Code of Practice.
3. Assurance that accounts are being managed within budget, are in line with statutory requirements and Following the Public Pound Code of Practice, and that the level of financial risk to the Council is low.

- 3.4 The Assurance Standards and Risk Ratings are set out at Appendix A. The Hub's overall assessment of each ALEO, based on the information returned, has been attached within the summary report at Appendix B. Appendices C-H provide a summary of requests to and responses from, each ALEO, along with a breakdown of risk ratings. These have been agreed with the ALEOs.

- 3.5 As reported in June 2023, medium risk ratings reflect the current commercial and economic challenges including continued recovery from the pandemic, energy market volatility and inflationary pressures/cost of living. These factors are affecting each ALEO to varying degrees however, the Hub is satisfied that financial stewardship arrangements continue to be robust and present as low risk to the Council as possible.

4. FINANCIAL IMPLICATIONS

- 4.1 There are no direct financial implications arising from the recommendations in this report.

4.2 The role of the Hub is to ensure that ALEOs provide assurance that risks, including financial ones are identified and managed. One of the Hub's primary functions is to ensure that the Council is able to follow the public pound as outlined in Accounts Commission guidance.

5. LEGAL IMPLICATIONS

5.1 Legal officers within Commercial and Procurement Services have reviewed ALEO Service Level Agreements which aim, amongst other things, to facilitate the ALEO Assurance Framework. These have been modified to recognise the requirements of the Assurance Hub to receive assurance regarding systems of governance, company outcomes and risk management and mitigation.

5.2 The ALEO Assurance Hub will help identify any projects and/or initiatives that could influence investment decisions of Bond holders or the Council's credit rating and ensure that the appropriate governance is put in place. This adds a further layer of assurance to the Council's existing Bond governance arrangements.

6. ENVIRONMENTAL IMPLICATIONS

6.1 There are no direct environmental implications arising from the recommendations of this report.
