Subject: Aberdeen City Licensing Board (local Conditions) - 'Euros' - outside entertainment

Hi Sandy,

Further to our useful discussion of last week.

The UEFA European Football Championships are due to take place in Germany from Friday 14 June to Friday 14 July 2024 inclusive. Delighted to see that the Scots have qualified and indeed participate in the opening fixture against the hosts Germany in Munich on 14 June 2024. It is reasonable to say the tournament as a whole can be seen as one holding national significance.

With that in mind, I hereby formally request that consideration is given by Aberdeen City Licensing Board to the temporary relaxation of the 'Local Conditions' applied to Outdoor Drinking Areas to allow licensed premises across the city to show the tournament games on outdoor television screens for the duration of the tournament.

Games are scheduled at 2pm, 5pm and 8pm respectively and all the early group stage matches ought to have concluded by 10pm. The knock-out stages commence on Saturday 29 June 2024 and are due to kick off at 5pm and 8pm respectively, with that semi-finals/final at 8pm only. There is the possibility that at the knock-out stage extra time and penalties may be applicable which could cause the game to over-run.

Is this sufficient for your needs? Only too happy to speak to the proposal as the 'Board.

I know, for instance, that the Dundee City Licensing Board have invited individual offers from licensed premises.

Very best wishes,

Adrian
