1. PURPOSE OF REPORT

- 1.1 To present the Council with an Annual Review Report which highlights progress with respect to the 2023-24 Council Delivery Plan, that was approved by the Council on 1st March 2023.

2. RECOMMENDATION

- 2.1 That the Council note the report and provide comments and observations on the information contained in the Annual Review Report at Appendix A.

3. CURRENT SITUATION

- 3.1 As the Council, and our communities, have tackled cost of living pressures, provided sustained support for those adults and children displaced from Ukraine, addressed newly presenting issues around trends in relative poverty in the city, and embraced the need for climate change adaptation within its provision, the Council as an organisation, has required to maintain a responsive and flexible approach to service delivery to our citizens.
- 3.2 This is reflected in the inputs, outputs and outcomes captured within the Annual Review Report, and highlights where services have been enabled to deliver against Council Delivery Plan priorities whilst pivoting resource and effort to meet the additional legislative, demand related, and financial challenges that had arisen over the course of 2023/24.

- 3.3 It is important to note that the detail and outcomes captured in this report reflect the policies and actions aligned with the 2023/24 Council Delivery Plan, which was subsequently updated for 2024/25 at the meeting of Council on 6th March 2024.
- 3.4 As such, it offers a retrospective overview of the work of the Council linking with those delivery priorities and objectives set out within the Plan, overlaid with the aims from the current Aberdeen City Council Partnership Agreement, ‘Working in Partnership for Aberdeen.’
- 3.5 Council Delivery Plan development is part of a strategic planning thread that flows from, and brings together:
- Aberdeen City’s Local Outcome Improvement Plan
 - The Council’s Policy Statements
 - National, Regional and City Strategies
 - Legislative and statutory delivery duties
- 3.6 Each of these strands establishes a range of commitments and requirements placed on the Authority, and the Council Delivery Plan identifies how the Council would meet these in the forthcoming twelve months.
- 3.7 The Annual Review Report summarises a snapshot of the deliverables for 2023-24 under these headings, along with outlining outcomes derived from the Council’s Commissioning Intentions, against which the Plan was a key element, and represents a statement on how the Council had delivered on its contribution to each.
