City Regeneration & Environment	City Development & Regeneration	<p>Contract for Loan of Exhibition: Artist Textiles from Picasso to Warhol</p> <p>This major temporary exhibition is to be shown in the special exhibition galleries at Aberdeen Art Gallery. It is on loan from the Fashion and Textile Museum, London.</p> <p>There is a limited availability of exhibitions of this stature which are being toured by respected organisations and partners such as the Fashion and Textile Museum. We are seeking major touring shows which work within available periods in Aberdeen Art Gallery's forward programme and our target audiences. We are dependent on lenders' touring programmes, suitable themes and total project costs</p>	01/11/2024	01/04/2025	£65,000.00	<p>Staff team has reviewed all options of other suitable exhibitions on offer, based on an understanding of audience and market demand and data analysis of equivalent seasonal programmes.</p> <p>Priority for this programming slot over the winter period is a local adult audience along with education partners including schools and students in higher and further education. We fully expect to attract visitors to the city as this is the only Scottish showing of the exhibition.</p> <p>Having previously worked with the Fashion and Textile Museum we know that their product will attract visitors to this ticketed exhibition. The income raised through ticketing plus a proportion of the committed revenue budget will cover the costs of the hire fee and delivery of all aspects of the exhibition.</p>
