

Request for Deputation

Name: Lindsay Bruce (The Press and Journal - Trapped by Raac campaign).

Committee: Communities, Housing and Public Protection Committee

Agenda Item: 11.3 Viability assessment of proposals from owners of properties with Raac.

The action I wish the Council/Committee to take: We are calling for Aberdeen City Council and this committee to support the viable options put forward by the Torry Community Raac Campaign group in a way that does not further penalise the homeowners, either mentally, physically or financially, who are all – without exception - in this situation through no fault of their own.

Further, while there is no legal obligation to remunerate homeowners there is a moral obligation. We wish to see ACC act morally and with compassion on behalf of its own people who do not wish to see the community of Balnagask suffer any more than they already have.

Please note that in submitting a deputation your name will be placed in the public domain and recorded in the minute.
