Application for a Major Variation

The LSO Representation is as follows:

Firstly, In relation to the change to Core Hours to 09:00 hours, is contrary to the current Statement of Licensing Policy.

Secondly, in relation to Children and Young Persons access to the bar to play pool and watch sport. Due to the layout of the bar, the pool table is hidden from view by a partition wall and could not be adequately supervised by bar staff and therefore in our view does not satisfy the Licensing Objective of Protecting Children and Young Persons from harm.
