----------	-------	---	---	---

			controls/control actions	
Strategic Risk	If we do not handle complaints or Scottish Welfare Fund (SWF) applications correctly then there is risk that we do not meet our strategic objectives.	Support in complaint handling is available to responding officers through a variety of methods and there is a centralised team in place to monitor compliance. The SWF team go through extensive training and ongoing guidance and support is available. Reviews are carried out by senior staff.	L	Yes
Compliance	The (SPSO) is the regulatory body for public services in Scotland. If we are non-compliant in our handling of a complaint or Scottish Welfare Fund application then there is risk that this is highlighted by the SPSO.	Support in complaint handling is available to responding officers through a variety of methods. In addition, all Stage 2 responses are also quality assured to ensure that responses are appropriate. Officers responsible for Scottish Welfare Fund applications receive full training to ensure they have the necessary knowledge to undertake assessments.	L	Yes

Operational	Staff morale may be lowered as a result of a negative outcome of a SPSO decision.	Whilst it is not pleasant to receive a complaint, officers are encouraged to view complaints in a positive light, as a learning point going forwards.	L	Yes
Financial	Each time a complaint escalates it is more costly to the council than the previous stage due to the effort involved, therefore financially it is in the council's best interest to resolve complaints early in the process. There is also a risk that the council may be required to undertake additional actions as a result of an SPSO decision, including financial compensation.	The complaint handling procedure encourages frontline resolution whenever possible and there is guidance and training in place to support staff in effective complaint handling. The financial benefit of early resolution is highlighted to responding officers in training.	L	Yes
Reputational	Non-compliance carries reputational risk. Customer perception of the council could also be negatively impacted if complaints and Scottish Welfare Fund applications are not handled correctly.
