regarding (Applicant Muthulingham Mathisuthan New Application)

I wish to register my objection against this new application regarding a new Alcohol Licence . Request, this being his second attempt after initial refusal by yourselves using other family names ,This applicant was already refused-a similar request for his shop at 6 Clunie Place ,+ 4 Clunie place (I believe he is using his member of Family to disguise his previous request) I feel strongly against this application due to the anti social behaviour his other shop & 4 Clunie Place has already generated from illegal sales to minors from around the Area & feel that any extra sales of Alcohol in this Area would be detrimental to to the Residents and surrounding Area as i feel the other premises already granted a Licence are more than adequate to serve this area in a responsible manor , i feel he has a disregarding attitude to whom he serves , he now also opens till 11.30 pm sometime 12 pm each evening causing more footfall in the area with youths hanging around his premises from surrounding areas which is intimidating to the local people whom live above these premises in the surrounding areas, Thank for ur understanding in this matter..

Sent from my I Pad Regards. Mike Ferguson.
