## PART A – OBJECTION

(a) The premises are excluded premises.

(b) The application must be refused because:

- Granting the application would have the effect of allowing alcohol to be sold for consumption off the premises before 10:00, after 22:00 or both.

(c) Granting the application would be inconsistent with one or more of the licensing objectives. Please indicate which of the licensing objectives the application would be inconsistent with, along with a concise explanation why. Please delete any of the objectives that do not apply.

Please add here any additional comments you wish to make. If you are submitting any background written materials in support of your Objection/Representation it would be helpful if you could list them here:-

MAX Convenience Store have applied for the Provisional licence on July 2024 and got rejected. The same person used his friend name to get Provisional alcohol licence to No 4 Cinnic Place, Aberdeen, AB16 5SD and got rejected on Jan 2025. I strongly wish to make an objection, After rejecting the alcohol licence in July 2024 & Jan 2025 still they are doing the underage sales which I send video to trading standards officer. Now the shop is still open until 12.30AM in the night. Local residents are complaining about their late opening hours. Groups of kids are still sitting in front of the shop until 11.00 PM. Having Vape and Cig in their hands. Even Quarryhill School head teacher made a complain regarding underage sales to the young persons. So please consider our objection to this permission.
